To
The Secretary to the Government
Revenue Department
Fort St. George

Sir,

I have the honour to submit herewith a petition
from the Ryots of Kalahasti Zamindari praying
that the Government may be pleased to grant
them remission of the Kist due for the Fasli
1309 on account of the failure of the crops
in the Zamindari.

The Zamindari is situated in the Taluk of
Kalahasti in the North Arcot District and
consists of 24 villages. The Zamindar is
a minor and the Zamindari is under the
management of the Court of Wards. The
Zamindari is a small one and the Zamindar
is not in a position to grant remission
to the Ryots. The Ryots have represented
to me that the crops have failed in the
Zamindari and that they are unable to pay
the Kist due for the Fasli 1309. I have
enquired into the matter and find that
the crops have failed in the Zamindari
and that the Ryots are unable to pay
the Kist due for the Fasli 1309. I
therefore recommend that the Government
may be pleased to grant remission of
the Kist due for the Fasli 1309 on
account of the failure of the crops in
the Zamindari.

I have the honour to be,
Sir,
Your most obedient servant,
S. Varadachari
Asst. Superintendent
Court of Wards

1915

To
The Secretary to the Government
Revenue Department
Fort St. George

Sir,

We have the honour to submit herewith a petition signed by the Christian inhabitants of Kalavai in the Vellore Taluk, North Arcot District praying for the grant of a piece of land for the purpose of a burial ground for the Christians of that village.

The petitioners state that the Christians of Kalavai have been burying their dead in a piece of land which was granted to them by the Zamindar of Kalavai for the purpose, but that the land has been encroached upon by the Zamindar and that the Christians have been obliged to bury their dead in a piece of land which is unsuitable for the purpose. They state that they have applied to the Zamindar for the grant of a piece of land for the purpose but that he has refused to grant it. They therefore pray that a piece of land may be granted to them for the purpose.

We have the honour to recommend that the petition be granted.
